Wireless Beat Bottle

ITEM#: ABT60
17OZ/500ML

Enjoy your favourite music while you are enjoying outdoor activities. No need for a big "boom box" or loud speakers connected to cords, the wireless BEAT Bottle is ideal for the beach, picnics and poolside and can even be your musical companion at work or study. The bottle has a double wall, vacuum insulated copper lined 18/8 stainless steel body. The bottle styled body has the speaker on the top of the bottle instead of underneath. This helps make the speaker sound better, it also gives you easy access to the speaker, permitting you to power on and off, change the playlist, and skip or repeat the last song. The wireless feature sets up easily to your cell phone and recharges rapidly in approximately 1 hour with the capability of running for hours after charging. The lid contains an IPX4 water proof speaker so no need to worry if it gets splashed with water!

FEATURES:

- Stainless Steel Construction
- Double Wall Vacuum Insulated
- Stays hot up to 12 hours, cold up to 24 hours
- Easy screw top wide mouth lid
- Use wireless up to 25 feet away

Drinking from a glass bottle have you worried about it breaking?
Not anymore!

INNER PEACE

Drinking from a glass bottle is key to getting the purest and freshest taste of water. The problem is that glass tends to be breakable and unsafe to travel around with.

The Asobu Bottled Up water bottle gives you all the benefits of glass with none of the cons. The inner chamber and spout is made with double walled glass while encased in shock resistant Tritan wall and reinforced with silicone bumpers. The spill proof lid keeps the air out and the freshness in, making it a great travel or on the go choice
